Dear Mr. Stessin,

Thank you for your letter of January 3 inviting
the Director to talk at your monthly forum.

The Director wants me to thank you for the kind
invitation and tell you that in principle he would like
to oblige you. At the present time his schedule is
very heavy and he does not feel that he can work it in.

Perhaps you would drop me a line at some later
time.

Sincerely,

SIGNED

Angus MacLean Thuermer
Assistant to the Director
